# Shoplifters Alternative Course (SA Course)

Course Available in English and Spanish (El curso está disponible en inglés y español)

The SA Course is a comprehensive, "offense-specific" online education program, which helps people identify the feelings, thoughts and attitudes which lead them to shoplift and helps them make better choices for themselves and their future. This interactive program developed by the National Association for Shoplifting Prevention (NASP) was designed as a means of intervention to help prevent people from further penetration into the criminal justice system. The SA Course is completed entirely online, in the privacy of your own home.

El curso SA es un programa educativo integral, "específico para el delito", que ayuda a las personas a identificar los sentimientos, pensamientos y actitudes que los llevan a robar en tiendas y les ayuda a tomar mejores decisiones para sí mismas y su futuro. Este programa interactivo desarrollado por la Asociación Nacional para la Prevención de Robo en Tiendas (NASP) fue diseñado como un medio de intervención para ayudar a evitar que las personas penetren más en el sistema de justicia penal. El curso SA se completa completamente en línea, en la privacidad de su propia casa.
