This dedication benefits both residents and visitors alike while ensuring our County remains a desirable place to live, work, and visit.

Uniform Crime Reporting Program

More than 18,000 law enforcement agencies in the United States contribute to this effort, creating a comprehensive overview of crime statistics and trends.

This year, the Seminole County Sheriff's Office proudly partnered with the Victoria's Voice Foundation to drive meaningful change in the fight against the opioid epidemic—locally, statewide, and nationally.

A milestone moment occurred at the SCSO as Florida Governor Ron DeSantis signed legislation officially establishing **June 6 as Revive Awareness Day**, now recognized as **Victoria's Day** in the State of Florida. The law, championed by the SCSO and the Victoria's Voice Foundation, serves as a lasting tribute to lives lost and a call to action for prevention and recovery.

This newly formed program comprises both sworn law enforcement and certified corrections academies, designed to enhance the quality and effectiveness of training for future deputies, detention deputies, and officers.

The academy hosted its inaugural Corrections Academy in September 2024, marking a successful beginning with 14 graduates. Impressively, each graduate passed the state exam on their first attempt, underscoring the academy's commitment to excellence in training and education. This accomplishment reflects the dedication and hard work of both the instructors and students, setting a high standard for future classes and contributing positively to the county's law enforcement and corrections capabilities.

The Criminal **Investigations** Division

The Criminal Investigations Division is comprised of specialized sections and units that handle complex crimes. Their expertise ensures thorough investigation of diverse cases requiring focused analysis and techniques.

In 2024, the MCU was assigned 187 cases, which included five homicides, 66 deaths (other than homicide), 12 robbery, and 22 sexual batteries.

In 2024, the unit was assigned 1,195 cases.
- Our **Victim Services Unit** is the only law enforcement agency in the county providing on scene advocacy to crime victims 24 hours a day, every day of the year; we provide this service for our agency as well as to all seven city police departments within Seminole County, Sanford Airport Police and for Florida Highway Patrol. In 2024, the Unit provided advocacy on 6,715 cases.

Major Crimes Unit's Diligent Investigation Leads to 14 Arrests in Fatal Drive-By Shooting

In February, 2024, Sheriff Lemma announced the arrest of 13 individuals connected to a January 2023 drive-by shooting in Sanford, that resulted in one death and five injuries.

The investigation began on January 16, 2023, deputies observed gunfire from a dark-colored sedan targeting a Mercedes-Benz Sprinter van near County Road 46A and Rinehart Road. The van's occupants, six women returning from a concert, were struck; 31-year-old Princess Tolliver of Tallahassee succumbed to her injuries, while the others were treated and released.

Investigations revealed that the assailants, affiliated with the "On Top Forever" (OTF) gang—a subset of the national Gangster Murder Crips—mistakenly believed a performer from the concert was in the van. The 11 male suspects face charges including murder, attempted murder, and racketeering. Two female suspects were also charged with related offenses. The arrests were made with assistance from the U.S. Marshals Service, Orlando Police Department, Orange County Sheriff's Office, and FBI Safe Streets. Sheriff Lemma emphasized the agency's commitment to justice and community safety, extending condolences to Tolliver's family.

In April, the 14th and last suspect was apprehended, finally granting closure and peace to the victims and their families after their long and painful journey.

Domestic Security Division Investigates Swatting Incident at Florida Mosque:

Inter-Agency Collaboration Leads to the Arrest of California Teen

In May 2023, a serious swatting incident occurred at the Masjid Al Hayy Mosque in Sanford. A fake emergency call warned of a mass shooting, mentioning Satanism. The caller also stated he had handgun and explosive devices, and played audio of simulated gunfire, causing a large law enforcement response. This false alarm highlighted the risks of fake emergency reports.

The SCSO **Domestic Security Division** led an extensive investigation with the Department of Justice and FBI, tracing the crime to 17-year-old Alan Winston Filion from Lancaster, California. Detectives linked multiple swatting service accounts to Filion's IP address. A search of his home in July provided crucial evidence.

On January 18, 2024, Filion was arrested with help from the Los Angeles County Sheriff's Department and detained at Los Padrinos Juvenile Hall before being extradited to Seminole County to face multiple felony charges. Investigators believe that Filion may also be connected to other swatting incidents across the United States. This case emphasizes the vital role of inter-agency cooperation in tackling digital threats.

City-County Investigative Bureau's Operation Leads to Major Drug Trafficking Bust

In April, our City-County Investigative Bureau (CCIB) conducted an investigation called “Operation Black Ice,” targeting drug trafficking activities in and around Seminole County. The **six-month investigation**, which began in October 2023, revealed a large-scale drug and weapons trafficking organization.

During the extensive investigation, CCIB agents uncovered a sophisticated operation responsible for distributing a range of illicit substances including Fentanyl, Heroin, Xylazine, Methamphetamine, Cocaine, Crack Cocaine, and N-dimethylpentylone (MDPV or "Molly"). The group was also engaged in smuggling marijuana into Florida from other states and allegedly conspiring to commit murder. They also sold high-powered firearms including three machine guns, 11 rifles, and nine handguns.

The investigation, conducted in multiple phases, involved undercover agents making controlled purchases of drugs and firearms from Aikens and his associates. Due to the magnitude of Fentanyl sales, the Sheriff's Office secured funding from the Florida Department of Law Enforcement's SAFE Program (State Assistance for Fentanyl Eradication).

Key findings from the investigation include:

- 24 undercover purchases totaling **over \$160,000**, including significant quantities of Fentanyl (four pounds), Heroin (three pounds), Methamphetamine (five pounds), Molly (four and a half pounds), Xylazine (14 grams), marijuana (200 grams) and ten firearms.
- **Seizure of 18.5 kilograms** (over 40 pounds) of cocaine and **13 additional firearms** from a residence associated with the investigation.
- Prevention of a potential murder-for-hire plot against an inmate through collaboration with prison officials, and the interception of a drone operation aimed at smuggling contraband into a correctional facility, resulting in the arrest of two individuals in Jackson County, Florida.

The Canine Unit supported multiple community events and demonstrations ranging from the Community Law Enforcement Academy, Leadership Seminole, new employee orientation and Seminole County School demonstrations.

Storm Response 2024

Hurricane Debby

In August, our Deputies returned from a six-day deployment to Dixie County, where they provided 24/7 law enforcement services to support Sheriff Darby Butler and the Dixie County Sheriff's Office in their recovery efforts. Our deputies conducted continuous patrols, distributed essential supplies, and assisted in road clearing operations, while our support staff maintained a fully operational, self-sustaining base camp. Hurricane Debby, which rapidly intensified from a tropical storm to a hurricane, made landfall in the Big Bend region with winds approaching 100 mph.

This storm serves as an important reminder for all our residents to prepare well in advance. For more information on how to make a disaster plan and sign up for emergency alerts through Prepare Seminole, click [here](#).

Hurricane Helene

Nearly six weeks after Hurricane Debby, our Deputies once again deployed to Dixie County after Hurricane Helene severely impacted the area, with over 90% of the county losing power and causing catastrophic damage to its coastal communities.

In addition to conducting patrols and helping to clear debris our Deputies also provided security for visiting officials, including Governor Ron DeSantis, Speaker of the U.S. House of Representatives Mike Johnson, and President Joe Biden.

We were overwhelmed by the gratitude and gestures of support from the residents of Dixie County, which has truly reinforced the resilience and unity of this community.

Rendering Honors

The Honor Guard Team represents the Sheriff's Office at ceremonial events and services, including funerals, parades, and other formal proceedings. The 2024 Honor Guard Team consisted of **three** squads, each playing a pivotal role in addressing attendance and participation challenges from prior years. The Honor Guard participated in **60** details in 2024. These included:

- **40 Color Guard requests**
- **9 Funerals/Line of Duty Death (LODD) services**

Additionally, we had the first member to receive the distinguished Honor Guard Member of the Year award in their rookie year. Deputy Lumaris Santiago has exemplified dedication and excellence from day one. Leading the team with 21 ceremonial details this year, she consistently demonstrated exceptional commitment, reliability, and a positive attitude that inspires us all.

Honoring Seminole County's **Fallen Heroes**

In May, the SCSO hosted its annual Memorial Ceremony to pay tribute to six fallen heroes from the SCSO, alongside those from the Longwood Police Department, Florida Highway Patrol, and Officer German of the Windermere Police Department, who hailed from Seminole County. Sheriff Lemma shared heartfelt remarks, while Chaplain Eugene Gregory Jr. delivered a poignant keynote speech. The event featured a touching candlelight vigil that united the community in expressing support and gratitude for the courageous individuals who made the ultimate sacrifice. This ceremony serves as a vital reminder of the sacrifices made by law enforcement officers and their families, offering a moment for reflection and appreciation.

A Lasting Tribute to our Heroes

As of December 2024, the SCSO accomplished the dedication of roadway memorials for each of our six fallen deputy sheriffs. These tributes stand as enduring reminders of the sacrifices made by these heroes and as symbols of our community's deep gratitude.

The process of dedicating roadways for our six fallen deputy sheriffs started as far back as the 1990s when the Seminole County Board of Commissioners approved the road name change of County Road 46A honoring Deputy Sheriff Hugh E. Thomas, Jr. in 1998 to HE Thomas Jr. Parkway. In 2018, a portion of State Road 414/Maitland Boulevard was designated as Deputy Matt Miller Memorial Boulevard. In 2023, the Florida Legislature designated a portion of State Road 46 as Deputy Sheriff Eugene "Stetson" Gregory Memorial Highway. Last year, the Florida Legislature designated portions of State Road 419 in Chuluota, Highway 17-92 in Sanford, and State Road 434 in Longwood to honor Deputy Sheriff Cleveland Jacobs, Deputy Sheriff Robert O. Moore, and Deputy Sheriff George Pfeil, respectively.

Eternally in Our Hearts - A Farewell to a Lasting Legacy

On December 13th, the entire SCSO mourned the loss of another agency pillar, SCSO Chaplain Eugene Gregory Jr., known to us as Gene. Gene, the son of fallen SCSO Deputy Sheriff Eugene Gregory, has been a steadfast and compassionate presence within our agency for over two decades.

Gene began his service as a chaplain with the SCSO following the tragic death of his father in the line of duty. From that moment on, Gene became an integral part of our SCSO family, offering guidance, comfort, and strength to countless members through both personal and professional challenges. His unwavering faith, commitment to family, and deep sense of community were the hallmarks of his service, and he truly lived out the values that define our agency. Gene's dedication to our agency extended beyond his role as chaplain. His legacy of service and commitment to our agency and to our community will never be forgotten.

Tribute to Sergeant Ken Burnham

It is with great sorrow that we announced the passing of Sergeant Ken Burnham, a valued member of the agency, who succumbed to cancer in October, 2024.

Ken began his law enforcement career in 1996 at the Seminole Community College Corrections Academy, later obtaining law enforcement certification at Valencia Community College. He served as a Corrections Officer with the Florida Department of Corrections and Orange County Corrections before joining the Oviedo Police Department in 1999. In December 2000, Ken joined SCSO, advancing to Sergeant in 2005, where he excelled in Security, Intake/Release, and Inmate Programs.

In 2022, Ken transitioned to Professional Development as a Corrections Field Training Sergeant, eagerly anticipating the startup of the Seminole County Law Enforcement & Corrections Academy.

Ken was a leader, problem solver, and role model, leaving a lasting legacy within our organization. His dedication and leadership will be deeply missed.

John E. Polk Correctional Facility

The JEPCF is committed to fostering a supportive environment for individuals transitioning back into society. Our Re-entry Programming aims to equip inmates with the skills and resources necessary for a smooth transition post-release. During 2024, the program had 196 participants.

The JEPCF Re-entry Programming and Substance Use Treatment Initiatives continue to make a positive impact, contributing to safer communities and brighter futures for those we serve.

I began serving in Corrections 21 years ago to help make a positive impact on individuals who are often at their most vulnerable, helping them find a path to rehabilitation. By maintaining safety and order, my role enables me to support both the individuals in custody and the community by promoting accountability and encouraging personal growth.

Probation

The mission of our Probation Division is to oversee all offenders assigned probation by the Seminole County Courts. This includes enforcing court-mandated sanctions, such as attending classes for petty theft, DUI, domestic violence battery, and substance abuse, as well as collecting fines and court costs. During 2024, the Unit saw 991 new cases of adults who enter probation for misdemeanor charges.

Furthermore, the division is responsible for administering drug and alcohol tests and performing residential searches. Additionally, probation offers alternatives to traditional criminal justice processes. For example:

- ✓ Pre-Trial Diversion offers a speedy trial waiver to the offender that diverts selected first-time offenders from entering into the criminal justice. In 2024, Pre-Trial Diversion case increased significantly to 429 in 2024, compared to 246 in 2023.
- ✓ The Mental Health Court and Veterans Treatment Court initiatives exemplify our dedication to rehabilitation. By partnering with mental health experts and veterans' services, Probation Officers offer personalized support and resources. This approach helps individuals dealing with mental health disorders or veterans grappling with substance abuse to obtain essential assistance and steer clear of incarceration. These specialty courts supervised 48 cases in 2024.

Department of School Safety & Security

School Resource Deputies

As part of our ongoing commitment to school safety and security, a full-time School Resource Deputy/Officer has been assigned to each public school campus since the 2016-2017 school year. The School Safety Division was expanded to the Department of School Safety & Security in the 2023-2024 school year to assist with the ever-growing demands of school safety and security coupled with legislative mandates.

The School Resource Deputy program includes 49 full-time School Resource Deputy Sheriffs (SRDs). The Department of School Safety & Security is also responsible for the 39 school resource officers (SROs) who handle the school safety and security function in most of our cities throughout Seminole County. Altamonte Springs Police Department (5), Casselberry Police Department (1), Lake Mary Police Department (4), Longwood Police Department (3), Oviedo Police Department (9), and Sanford Police Department (13) participate in the responsibility of keeping our most vulnerable resources safe.

Families in Seminole County should feel at peace with the safety and security of their students and loved ones while on campus.

Accreditation

The Seminole County Sheriff's Office is currently accredited by nine independent, accrediting bodies:

- American Correctional Association (ACA)
- ANSI National Accreditation Board (ANAB ISO/IEC 17025 Forensic Testing Laboratory Accreditation)
- Commission for Florida Law Enforcement Accreditation (CFA)
- Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA)
- Public Safety Aviation Accreditation Commission (PSAAC)
- Public Safety Communications Accreditation
- Florida Corrections Accreditation Commission (FCAC)
- FCAC for Pretrial and Probation
- National Commission on Correctional Health Care (NCCHC)

Accreditation is a voluntary process that affirms an agency's commitment to the highest standards of professionalism and service. Each accrediting body has set standards that an agency must initially demonstrate compliance with, and then demonstrate continuing adherence to, in order to achieve re-accreditation.

Accreditation standards address key areas such as: organization management and administration, personnel administration, law enforcement operations, training, forensic examination, and inmate and court-related services. Accreditation typically includes an extensive review of an agency's policies, procedures and protocols as well as an on-site inspection and interviews with key personnel. Building Trust through Community Engagement

Our agency is focused on building strong relationships within the community through a range of initiatives. By engaging with residents and giving back, we work to establish trust between the community and law enforcement. For example, we organize donation drives to assist families in need, promote leadership and pride by swearing in Junior Deputies, and distribute snow cones from our Snow Patrol vehicle. These actions underscore our commitment to serving the community. Collectively, these efforts strengthen community bonds and highlight the supportive role of law enforcement, ensuring a safer and more connected neighborhood for everyone.

SCSO Community Foundation

The Seminole County Sheriff's Office Community Foundation is a non-profit 501(c)(3) organization with a mission to aid underserved and at-risk populations in the county. The foundation seeks to achieve this goal through education, prevention, and provision of resources.

The Board of Directors, which is appointed by Sheriff Lemma, is made up of members of the community and the Sheriff's Office. This ensures that the foundation is a representation of the people it serves, and allows it to effectively address their needs.

The foundation plays a vital role in creating a safer and more equitable society for all. Its programs go a long way in empowering individuals and communities to overcome challenges and lead fulfilling lives. Programs supported by the Foundation include but are not limited to:

Shop with the Sheriff

In 2024, a memorable back-to-school shopping experience was provided to **323 students**, allowing them to select new clothes and essentials during our annual Shop with the Sheriff event. This initiative was made possible largely due to the generous support of community partners, sponsors, and members of the Sheriff's Office.

It helps to equip them for success in the upcoming school year, enhancing their confidence and self-esteem in the classroom. Shop with the Sheriff is a hallmark event of our Community Foundation, fully funded through charitable donations.

23rd Annual Christmas Village

Spreading **Holiday** Cheer

Each December, the SCSO collaborates with care providers to organize a special holiday celebration for children in foster care or those who are underserved. Volunteers work diligently to collect donations and raise funds to buy thousands of toys, creating a Christmas Village filled with games, crafts, and a visit from Santa. While the children enjoy the festivities, their parents or caregivers have the opportunity to “shop” for toys to take home for Christmas morning. Community members and businesses contribute by organizing toy drives, donating toys, or providing monetary support.

The 2024 event was once again hosted at the SCSO headquarters, which offered more space for activities, improved parking, and allowed families who couldn't attend the event to still receive toys. This community-driven initiative helped fulfill the Christmas wishes of just over **400 children**.

AdventHealth was the Presenting Sponsor for the event, and we couldn't have done it without the incredible support of the organizations and people who joined us in providing the children of our community with the joyous Christmas experience they all deserve.
