

## SCSO arrests three in Lake Mary shooting and armed robbery - 12/18/2012

Investigators with the Seminole County Sheriff's Office yesterday arrested three men involved in the incident that led to the murder of Larry Lamont Felton, Jr., age 19, at the Pebble Creek Apartments in Lake Mary on Dec. 8. Joshua Geister, age 22, of Longwood was charged with second degree murder, attempted first degree murder, attempted sale of cannabis, and possession of cannabis over 20 grams. Patrick Casey, age 23, of Longwood, was charged with felony murder and attempted sale of cannabis. Jermaine Wesley, age 20, of Sanford was charged with felony murder, armed robbery and possession of cannabis over 20 grams.

The investigation revealed that Jermaine Wesley and Larry Felton arranged to meet and purchase marijuana from Joshua Geister and Patrick Casey at the Pebble Creek Apartments. Wesley and Felton entered Geister's vehicle, and during the meeting, Wesley and Felton robbed Geister and Casey at gunpoint. Wesley and Felton exited Geister's vehicle with stolen items, including marijuana. Wesley and Felton then returned to their car, which was parked adjacent to Geister's vehicle. Felton, who was driving, and Wesley began to drive away from the scene when Geister fired multiple rounds into Felton's vehicle. Felton was fatally wounded, and Wesley sustained injury while in the vehicle.

After the vehicle came to rest nearby, Wesley ran from the vehicle and sustained further injury from Geister's continued gunfire. Wesley was later located by deputies who found him hiding under a duplex in a nearby neighborhood. He was treated at a local hospital and released several days later.

Casey was charged with felony murder as his role in the attempted sale of the cannabis contributed to Felton's death. Wesley was charged with felony murder as his role in the armed robbery contributed to Felton's death.

The initial claim that the men met regarding the sale of a four-wheeler that was posted on Craigslist was disproven.

Geister, Casey, and Wesley were booked into the John E. Polk Correctional Facility. All three have a no bond status.
